President's Report

Spring will be here soon; looking forward to seeing the neighbors again. It seems unless there is snow to be shoveled everyone hibernates for winter and this winter was colder than most. We are really glad we did all that tree trimming last fall. With the high winds we've had this winter, we've had no complaints about any branches landing on cars or roofs this year.

Caroling in the Mews

Our annual caroling event was a big success this year. We lucked out with a fairly warm day and lots of participation. We knocked on a few doors and gave private concerts to those who asked and by the time we made it back to the "Christmas tree" in court 11, we got a surprise visit from Santa. Thanks to all who participated and to Kristen Peairs for coordinating the event!

New Pool Management Company

We've signed a three-year contract with Community Pool Service to manage our pool. They offered us lower rates and better service. The new manager, Dimitri Dimitrov, met with us at our January board meeting to discuss the services they will be providing and duties of the staff. They will be scheduling a 'meet and greet' with the Board prior to the pool opening so we can meet the staff and review our expectations for the pool season. Community Pool Service will also be onsite in March to replace the coping stones around both pools. This is necessary to pass inspection prior to our Memorial Day weekend opening. Get ready to check out all the updates on May 23rd.

Clogged Pipes/Plumbing problems

The board has heard from a few residents about clogged kitchen sinks as well as interior water damage. If you have a clogged sink and your plumber tells you it's blocked past where you share pipes with a neighbor, you must coordinate with the neighbor and the plumber to fix it. The association does not cover the cost of a plumber unless there is damage to a pipe outside of the building. Anyone who has lived in Fairlington long enough knows to use the disposal sparingly. If a new neighbor moves in, warn them

not to put vegetables, potatoes, grease, etc. down the disposal. These pipes are old and can clog easily.

2015 Pool Rules, Hours, and Passes

Our swimming pool will open for the season on Saturday, May 23rd, at 10:00 a.m. Pool rules and hours have been updated and are posted online at www.fairlington.org/MewsRecreationPage.htm. This information will also be included in the Annual Meeting packet that will be mailed to all co-owners in May and will be posted on the bulletin board by the tennis/basketball court.

Lifeguards will be checking pool passes this summer. Pool pass applications can be downloaded from our website and must be returned by May 20th in order to be ready for pick-up on opening day. There is a \$5 fee for replacement passes.

Landscape Committee Prepares for Spring

Good riddance to winter. Spring is just around the corner. At 6:45 a.m. EDT on Friday, March 20, the sun will cross directly over the Earth's equator during a moment known as the vernal equinox when both day and night are about equal -- the official start of spring.

Springtime at the Mews is spectacular. The proliferation of daffodils, tulips, and other spring bulbs brightens the foundation beds whose shrubs are just beginning to show their new growth and the azaleas will soon be ablaze in color. The diverse landscape of trees throughout the neighborhood will soon be budding spring green leaves and the crepe myrtles will show their beautiful white and pink blooms.

Our capable landscape crews will begin spring cleanup during the first few weeks in March, removing fallen tree branches, and leftover leaves and debris from the fall. Tree and bed mulching is on the agenda as well. In February, the landscaping crews conducted "rejuvenation pruning" of foundation throughout courts 6-10. This is important for the health of older, mature shrubs, and will restore their youthful vigor as the spring brings new growth. Next year this "rejuvenation pruning" will be conducted in courts 11-15.

Depending on the amount of rain during March, lawn mowing and edging will begin about April 1st. If there is a large growth spurt before that, the crews will start earlier. The grass in the Mews is a Fescue type grass that is drought tolerant and grows well in both the sun and shade. This type of grass does best when mown at a height of 3" to 3.5" and leaving grass clippings on the lawn is desirable for the health of the lawn. This practice keeps the lawn from drying out and losing too much moisture. In early spring the laws will be fertilized and treated with an insecticide.

In late March the Landscape Committee will conduct its annual "Spring Walk" with Environmental Enhancements Landscape crew to determine what the needs are for new plantings, plant removal, and selective pruning. If anyone has any special requests, please contact the Landscape Committee at loisstarkey@yahoo.com.

"It's spring fever. That is what the name of it is. And when you've got it, you want—oh, you don't quite know what it is you do want, but it just fairly makes your heart ache, you want it so!"

Save the Date: Fairlington Home and Garden Tour

The 2015 Fairlington Home and Garden Tour, sponsored by the Fairlington Historical Society, is on May 16th. This biennial tradition showcases our community's architecture, grounds, and the unique character of each of our neighborhoods and homes. The Tour committee is still looking for homes to add to the Tour, especially any homes that have had major renovations. They would like to include at least one home from each of the Fairlington communities on the Tour, with examples of each type of floor plan. The Tour committee is also seeking neighbors to participate in the Tour as volunteers with planning, advertising, ticket sales, fundraising with local businesses, and serving as guides and house sitters.

If you would like to nominate your home or garden, or are interested in volunteering to help with the Tour, please email FairlingtonTour2015@gmail.com.

Preparing for Personal Emergencies

Arlington County police and family services personnel were recently called to a residence in a neighboring association because there was suspicion that the resident was ill. No neighbors had a key to the unit or knew the name of anyone who might be able to help. After some delay in determining the appropriate way to proceed, the resident was discovered inside disoriented, and there was evidence of neglect.

In an emergency, do any of your neighbors have keys and access to your unit? When you travel, do you tell your immediate neighbors so that they can "keep a look out" for any untoward activity around your unit? Does someone check your unit when you are away for extended time? Does someone in your court have the name(s) of immediate kin or a person to contact in case of an emergency? These questions may sound "alarmist" to some, but we never know when an emergency situation might arise which affects your health/safety directly or your property. We all value our privacy, but in our close proximity here in Fairlington, we need to keep our eye out for each other and be prepared for any contingency that may arise.

If you notice anything that raises alarm in our neighborhood, please contact the Arlington County Police Department without delay. For emergencies, always dial 9-1-1. For non-emergencies, dial 703-558-2222.

Updated Neighborly Reminders

RECYCLING

On Tuesday evening or Wednesday morning, residents may place the following items in the special recycling bins left at each court:

- Aluminum and other metal cans
- Glass bottles and jars
- Plastic containers

These items should be rinsed prior to being placed in the bins. No bags (plastic or paper) should be placed in the bins.

Mixed paper and cardboard can also be recycled. Mixed paper should be placed in a paper bag or tied with twine. Cardboard boxes must be broken down and flattened. These items should be left next to the bins.

TRASH COLLECTION

- Trash collected six days a week, Monday through Saturday.
- Please put out trash by 8 a.m., but not the night before.
- Large items are collected on the first Saturday of each month.

PARKING RULES

- Each unit is assigned one parking space.
- Park only in your designated space or your vehicle may be towed.
- Visitors must park on the street unless using a specially designated visitor parking space.
- Use the posted telephone numbers to request towing or should your vehicle be towed.

PETS

- Cats must not be allowed to roam freely.
- All dogs must be leashed pursuant to Arlington County law.
- **Owners must clean up after their dogs.**
- No pets are allowed on the tennis courts at any time.
- Keep pets away from flowerbeds and border plantings.
- Do not leave barking dogs unattended on your patio.
